FACULTY

ADMINIS

This year, Mr. Meadows envisioned new things for the school, strived to accomplish them, and helped improve our school. He is a great asset to this school. As principal for his second year, Mr. Meadows continues to prove that cooperation makes a school great. Last year he held fast to the belief that if we worked together, we could make a difference. This was evident, and more.

Meadows, Principal

Mr. Wright serves in many roles this year, just as he did last year. He coordinates all activities and athletic events. He is always there to listen when a problem needs to be discussed and he, too,helps the office be productive and efficient.

The office would not be complete without the prompt and precise work of Mrs. Willis and Mrs. Hartley. They provide us with the assistance we need to complete a successful day at P.H.S. They help things run smoothly and always do so with a smile.

YEAR ENDS WITH PLENTY PIZAZZ

☑ TRACK TEAM

For the first time at Pocahontas High School, we had the pleasure of having a track team. Many students came out and make it a success.

☑ Volleyball

For the first year of having a girls volleyball team, coached by Sara Shortt, they all showed hard work and dedication making the season an overall success. Way to go girls!!!

☑ VARSITY SPORTS

Varsity sports at Pocahontas High School were a big success. Varsity football made it to the play offs for the second time in three years. This made their overall record 5 and 6. The Varsity basketball boys, after not being expected to do well, were dynamic on the court. Varsity girls basketball, even though they didn't have a perfect record, showed dedication and hard work. Therefore varsity sports had a great season.

☑ JR. HIGH SPORTS

Junior High sports this year were a great success. Junior High football came out with a record of 6:1:1. Way to go guys!!! Junior High boys and girls basketball both showed how hard they were willing to work to prove themselves.
